

# Scotia Essentials Portfolios™

Everything you need in one portfolio.

Think about the goals you want to achieve – your perfect retirement, your dream home, a child’s education. With countless investment options to choose from, trying to figure out the best approach to reach your goals can be challenging.

Scotia Essentials Portfolios combine a mix of ScotiaFunds® and cost-effective Exchange-Traded Funds (ETFs) into one convenient solution to help you achieve your most important financial goals. They are thoughtfully designed and purposefully diversified to grow your savings over the longer term and flexible enough to adjust for changing market conditions.

## With Scotia Essentials Portfolios, you get:

### **A complete investment solution designed for you and your goals**

Investing doesn’t have to be complicated or time-consuming. Invest confidently knowing that your Scotia Essentials Portfolio is strategically built to help you achieve your longer-term goals.

### **A thoughtfully designed and diversified portfolio in one convenient solution**

Return and risk go hand in hand when investing. To generate long-term growth and manage risk, your Scotia Essentials Portfolio uses multiple levels of diversification. You’ll get a mix of actively managed mutual funds and cost-effective ETFs, spanning different asset classes, geographies, industries and company sizes.

### **Active portfolio management to keep you on track**

Markets never stand still, and neither should your portfolio. Your Scotia Essentials Portfolio draws on the strength and experience of Scotia Global Asset Management’s Multi-Asset Management Team, who have a long and successful track record of constructing and managing diversified portfolios to help investors achieve their goals.

**Rest easy knowing your portfolio is continuously monitored, regularly rebalanced and tactically adjusted to potentially capitalize on a broad range of market conditions and opportunities.**

# The foundation of Scotia Essentials Portfolios

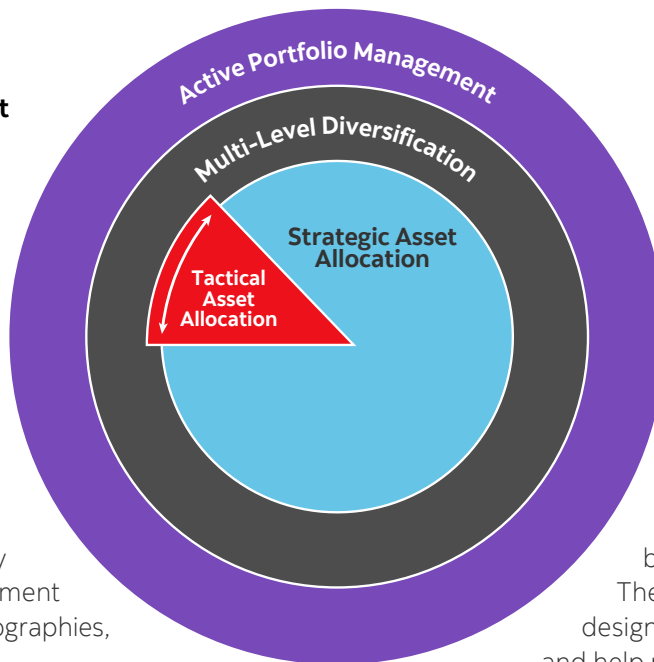

### Active portfolio management

Your portfolio is managed by an experienced and tenured team of portfolio managers with specialized investment knowledge and a proven investment process.

### Multi-level diversification

Your portfolio uses actively managed ScotiaFunds and cost-effective ETFs to diversify across a broad range of investment approaches, asset classes, geographies, industries and company sizes.

### Strategic asset allocation

Your portfolio's mix of stocks and bonds aligns with your goals, time horizon and appetite for risk and accounts for the majority of your portfolio's risk and returns.

### Tactical asset allocation

Your portfolio's strategic asset mix can be tactically adjusted based on market conditions. These marginal adjustments are designed to add incremental returns and help manage volatility.
