  - a) At the bottom of page five (5) is indicated the credit limit We have approved for your ScotiaLine account. The total You owe Us shall not exceed the credit limit approved. We shall have the right (at our option) to do the following in case the credit limit is exceeded:

    - iii) if the actions of a government agency forbid Us from levying upon You the Annual Percentage Rate set forth in this agreement;
    - iv) if one of our regulatory agencies notifies Us that to continue granting credit under this agreement constitutes a dangerous and unsafe practice.
  - c) The Bank is not responsible if a Purchase or Cash Advance on your Account is not approved either by the Bank or by a third party, even if you have sufficient credit available. The Bank may limit the number of Purchases or Cash Advances that may be approved in one day. If the Bank detects unusual activity in your Account, it may temporarily suspend your credit privileges until it can verify that the transaction is legitimate.
- 9) Return of Checks — Checks are our property and We may, at any time, request their return in case You or Us decide to cancel this agreement, or in case We decide to exchange them for others. In those cases You are responsible to return to Us the Checks.
- 10) Finance Charge — Your ScotiaLine account shall accrue a Finance Charge. We shall determine the Finance Charge by multiplying the “Average Daily Balance” due during the billing period that We set forth as per Section 15), for the Periodic Rate. The Statement of Charges and Fees indicates the initial Periodic Rate and its corresponding Annual Percentage Rate. The Periodic Rate and the corresponding Annual Percentage Rate may fluctuate as set forth in Section 12).
- 11) Grace Period — Purchase of goods and services. In the case of purchases of goods and services We shall levy a Finance Charge from the date We pay the vendor of the goods or service provider. There shall be no grace period during which You may settle the balance without incurring a Finance Charge.
- 12) Variable Interest — The interest rate We shall use to calculate the Periodic Rate and the corresponding Average Daily Balance may fluctuate the first day of each billing period, and shall be effective for that billing period. The applicable interest rate shall be equal to the prevailing “Prime Rate” on the first day of the billing period, plus the number of percentage points set as a margin in the Statement of Charges and Fees. “Prime Rate” shall be the base rate for commercial loans announced by no less than 75% of the 30 largest banks in the United States, as published in The Wall Street Journal newspaper under that name (“Prime Rate”). We shall inform You of the resulting Periodic Rate and the corresponding Annual Percentage Rate in your account statements. The Annual Percentage Rate may change monthly.

- 13) Special Rate for applicants covered by the Military Lending Act (MLA) – Those applicants who, at the time of applying for an applicable credit product, are identified as an active member of the Armed Forces or a covered dependent, as established by the Military Lending Act (MLA), will be granted a special annual percentage rate (APR) of 6.00%. This special rate will be considered as part of the military annual percentage rate (MAPR), which, as established by the Military Lending Act, will not exceed a 36.00% (MAPR). This special rate will be provided to the customer and covered dependents for as long as he/she remains in active military service. Once the member of the Armed Forces ceases to be in active military service, the special rate granted will be changed to the current applicable Annual Percentage Rate (APR).
- 14) Average Daily Balance — We shall calculate the Finance Charge using the method known as “Average Daily Balance,” which We shall obtain by adding the balances due at the end of each day of the billing period, and dividing the product into the number of days within said period. We shall determine the balances due at the end of each day by adding: (i) the previous day’s Final Balance, (ii) purchases of goods and services, and (iii) cash advances; and subtracting payments and other credits paid during the day. We shall add and subtract these items before computing the Finance Charge.
- 15) Account Statement — We shall divide the calendar year into 12 billing periods of approximately 30 days each. We shall mail You an account statement for each billing period in which You owe a balance. In each statement We shall indicate, among other things: (i) the Previous Balance, (ii) an itemization of payments and credits, debits, purchases of goods and services, and cash advances that took place during said period, (iii) the Finance Charge, (iv) the Periodic Rate, (v) the Annual Percentage Rate, (vi) the balance on which the Finance Charge was based, (vii) the New Balance, (viii) the Minimum Payment, (ix) the date in which the Minimum Payment is due, (x) the account closing date, (xi) the notice of billing errors and other required notices.
- 16) Minimum payment - You may pay the total amount or part of the new balance that appears on your monthly statement, but must pay at least the minimum payment monthly, calculated as follows: 3% of the new balance, plus any balance due or amount in excess of the approved limit, or \$25, whichever is greater.

Under certain circumstances the Minimum Payments could not cover the finance charges and negative amortization may occur, for which the amount owed may increase.

- 17) Application of payments – The Bank will credit the payment the same day is received when it is made: (a) in cash or in check through one of the Bank branch offices, prior to the closing time; (b) electronically before 5:00 p.m. from Monday to Saturday; or (c) by mail together with the payment coupon to the address listed on the account statement of the customer, as long as the payment is received before 5:00 p.m. from Monday through Friday.
- 18) Credit line availability – If the payment is not made in cash the Bank will defer the availability of funds equivalent to the amount of the payment, for a period of up to five (5) business days. This means that although your payment will be credited, your available balance will not reflect the payment amount until the five days period has elapsed. This will not entail additional charges to your account for Interest Charges.
- 19) Late Charge — If We do not receive at least the required total minimum payment the date We set in the monthly account statement, We may charge the ScotiaLine account a late payment fee in the amount of \$25. Any subsequent violations that occur after the first offense, over the next six months, may be subject to a \$30 late payment fee. After the six-month period has elapsed, the next late payment violation will be subject to a \$25 fee and another six-month period will commence where late payment violations may be subject to a \$30 fee, and so on. We shall only levy the late charge once per each minimum payment not paid on time.
- 20) Returned Check Charge — For each Check You send Us, which is returned to Us without payment, We shall charge your ScotiaLine account the returned check charge set forth in the Statement of Charges and Fees.
- 21) One Fee for Violations Resulting From Single Event or Transaction – We will not impose more than one penalty fee for violating the terms of your account based on a single event or transaction. For example, if your payment is returned after the date it was due as shown on your billing statement as a result of a returned check or other reason, we will impose a late payment fee or a returned check fee but not both of them because the fees have resulted from the same event or transaction.
- 22) Foreign Transaction Fee — For each transaction in a foreign currency, a 1% transaction fee of the amount in USD will apply, and is additional to any other applicable fee.
- 23) Other charges – Any other charges you are required to pay as per the Statement of Charges and fees included herein will be itemized in your monthly statement.
- 24) Checks
  - a) We may refuse to pay a Check after six months from its issue date. Payment by Us of one or more Checks after said period has elapsed shall not oblige Us to pay other Checks presented outside the term.
  - b) You may stop payment of a Check. We shall not be liable if We pay a Check in any of the following cases:
    - i) if We receive the stop pay order after the Check has been charged to your account;

- ii) if You do not notify Us of the stop pay order in writing, in the form that We furnish You for this purpose;
  - iii) if the stop pay order is not signed by the person that signed the Check;
  - iv) if the person receiving the payment in fact has a right to receive it, or would have had the right to recover from You if We had not paid the Check;
  - v) if You do not exercise any right You might have to recover the funds, be it against the person receiving the payment or against any other person;
  - vi) if You are otherwise constrained from placing the stop pay order or from placing a claim against Us.
- c) The duration of a stop pay order shall be six months from the Check issue date, unless You cancelled it previously in writing, using the form that We provide to You for that purpose.
  - d) For each stop pay order We may impose the charge set forth in the Statement of Charges and Fees, and charge it to your ScotiaLine account.
  - e) If We reimburse You for the amount of a Check that was paid inappropriately, We shall acquire all of your rights to collect from the person receiving the payment, and from any other liable person.
- 25) Immediate Payment of the Totality of the Balance Owed — We may demand the immediate payment of any amount that You owe Us under this agreement, if You do not comply with the terms set forth in this agreement.
- 26) Amendments to this Agreement — We may amend the terms and conditions of this agreement in writing at any time by giving written notice to You prior to the effective date of the amendment as required by applicable regulation. We shall also notify You of any changes to the Finance Charge, Periodic Rate, Annual Percentage Rate and other applicable charges.
- a) If You disagree with the amendments or changes notified You shall do the following within the next billing cycle:
    - i) You notify Us of the cancellation in writing, prior to the date the changes become effective to the address provided in paragraph 27)b), and
    - ii) you return to Us all Checks.

You may continue paying the balance due to Us, as per the terms of this agreement while there is an unpaid balance but neither You or any Authorized Persons shall continue using the ScotiaLine.
